Re: Required public notice

Pursuant to Section 211 of the Retirement and Social Security Law and Section 80-5.5 of the Commissioner's regulations, this serves as the required public notice that Gregory Bailey who is serving as a long term temporary technology teacher at Fulton Junior High School, has been approved by the New York State Education Department to work while collecting a pension from the NYS Teachers' Retirement System. The terms of Mr. Bailey's employment are governed by the collective bargaining agreement with the Fulton Teachers' Association. Based upon Mr. Bailey's graduate studies, degree, and experience his salary is \$73,764.

Questions or comments concerning the Fulton City School District's decision to appoint a retired technology teacher to a temporary position at Fulton Junior High School, or the terms and conditions of employment may be directed to me by calling 315-593-5538 or via email at: tgreer@fulton.cnyric.org.
