Bullying is unwanted, aggressive behavior that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

Harassment is the creation of a hostile environment by conduct or by threats, intimidation, or abuse, including cyberbullying, that has or would have the effect of unreasonably and substantially interfering with a student's educational performance, opportunities or benefits, or mental, emotional, or physical well-being; or reasonably causes or would reasonably be expected to cause a student to fear for his or her physical safety; or reasonably causes or would reasonably be expected to cause physical injury or emotional harm to a student; or occurs off school property and creates or would foreseeably create a risk of substantial disruption within the school environment, where it is foreseeable that the conduct, threats, intimidation or abuse might reach school property.

Discrimination includes the denial of equal treatment, admission and/or access to programs, facilities and services based on the person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender (including gender identity), or sex.
