Dear Parents,

We are trying something new this year. In place of sending home a supply list for Kindergarten, we are asking you to send in $5.00 with your child. School supply sales usually happen early in the summer and things are picked over or gone by the time you receive your child’s supply list. It can be frustrating for many parents. We are willing to purchase the needed school supplies during the summer and then they will be all ready to go when school starts.

In addition to the requested $5.00 for school supplies please send:

* an old adult-size t-shirt for art class (please label it with your child’s first and last name)

* Backpack (without wheels please and big enough to fit a pocket folder)

We think this will be an easier option for everyone. Thanks for your anticipated cooperation. We are looking forward to a fun and exciting year in Kindergarten!
