Strategies and Action Plans

Strategic Intent #1A:

By 2024, all school leaders will implement agreed upon systems and structures that improve individual and school-wide practices.

Strategy and Action Plans
Strategy #1.1: Apply Fullan's Coherence Framework to examine and implement research-based school practices.
1.1a Create processes that promote collaborative leadership, co-learning, and shared accountability for continuous improvement of student learning. (Cultivating Collaborative Cultures)
1.1b Engage in the analysis and interpretation of relevant data to define the focus and outcomes of annual SCP action planning, with clearly defined timeframes that guide action steps. (Focusing Direction)
1.1c Develop and implement a research-based instructional coaching model to support teaching and learning. (Deepening Learning)
1.1d Define the frequency, structure, and processes for cycles of inquiry that result in quarterly updates to the District Coherence Council. (Securing Accountability)

Strategic Intent #1B:

By 2024, staff, student and family respondents to district surveys will agree/strongly agree with the statement:

- The Fulton City School District provides accurate, timely and meaningful communication.

Strategy and Action Plans
Strategy #1.2: Create a system that fosters accurate and timely information to appropriate stakeholders.
1.2a Design and implement a Comprehensive Communication Plan that engages all stakeholders in meaningful, reciprocal exchange of information.
1.2b Develop and articulate a process for collecting and responding to feedback from stakeholders.
1.2c Establish and celebrate a positive FCSD identity.
1.2d Implement a communication strategy that informs all stakeholder groups of the impact and progress of the FCSD SCP.
