Fulton City School District Elementary School Age Student Acceptable Use Regulation

Fulton City Schools offer a variety of electronic resources for our students. The district provides this service to help you be successful in your education. It is the general policy that all computers on our network will be used in a responsible, efficient, ethical, and legal manner.

Responsible users may use the Computer Resources to:

- Access educational software
- Research assigned classroom projects
- Access educational sites

Responsible users may not use Computer Resources:

- For any illegal purpose, including copyright violations
- To access images, movies, or sound which contains, pornography, profanity, obscenity, or language that offends or tends to degrade others or is inappropriate in an educational setting

Responsible users shall:

- Respect the privacy of others
- Provide no personal information about yourself or others. This includes home telephone numbers, home e-mail addresses, home addresses, pictures with name identifications, or information regarding specific student location at any given time
- Protect their password by not sharing it with others. The user shall use passwords only belonging to them
- Respect the network as a shared resource. The user shall not deliberately attempt to interfere with the work of others
- Observe all laws including copyrights and licensing agreements
- Print only with permission

Any of the following intervention strategies and disciplinary actions may be used by administrators, and are not limited to:

Minimum Action

- Meeting with the parent, teacher, and/or administrator

Additional Actions as Deemed Appropriate

- Required to receive additional assistance in learning proper use before student is allowed to continue the use of computer equipment
- Loss of access technology resources
- Responsible for the cost of damaged equipment
- Possible in-school or out-of-school suspension

Student: I have read (or it has been explained to me) and agree to follow the FSCD Acceptable Use Regulation. I understand that any violation of the procedures may result in the loss of technology privileges.
